two hundred of their most popular titles, audio books, technical books, and books made into movies. Give the freebies a try, and if you really like their service, then you can choose to become a member and get the whole collection.

A Quilters Journal

As quilters, we know the inspiration for our next quilt can come from the most unlikely of places. Who would have thought that weather charts and daily high and low temperatures would capture the imagination of so many quilters worldwide and become the starting point for the design of creative and incredible temperature quilts?

How to Make a Quilt Journal. Do you like to keep leftover pieces of fabric in remembrance of a quilt you made that you love? Erin Russek is the same way and shows you how to make a journal she made to store them. She recommends using Strathmore visual journals because they have a solid cover. Then take the measurements, put... Watch Now >>

The MQG Journal is a collection of patterns, articles, and resources curated by the Modern Quilt Guild. The MQG's mission is to support and encourage the growth and development of modern quilting through art, education, and community.

MQG Journal

Quilting is the term given to the process of joining a minimum of three layers of fabric together either through stitching manually using a needle and thread, or mechanically with a sewing machine or specialised longarm quilting system. An array of stitches is passed through all layers of the fabric to create a three dimensional padded surface. The three layers are typically

History. Just southwest of Selma, in the Black Belt of Alabama, Gee's Bend (officially called Boykin) is an isolated, rural community of about seven hundred inhabitants. The area is named after Joseph Gee, a landowner who came from North Carolina and established a cotton plantation in 1816 with his seventeen slaves. In 1845, the plantation was sold to Mark H.

Photo by Stacy K. Allen. Deep in the south is a small, rural community, surrounded by the Alabama River and steeped in history. The 700 or so residents of Gee's Bend—now named Boykin—are mostly descendants of slaves; for generations, they worked the fields belonging to the local Pettway plantation.
