Rage burns in every barbarian's heart, a furnace that drives him or her toward greatness. Different barbarians attribute their rage to different sources, however. For some, it is an internal reservoir where pain, grief, and anger are forged into a fury hard as steel. Others see it as a spiritual blessing, a gift of a totem animal.

Smaug was perhaps one of the dragons that infested the Grey Mountains. Details of his origin are unknown, but he apparently was considered still "young" by himself and Gandalf when he first appeared in Middle-earth's history in T.A. 2770, and as having transitioned to become "old and strong" by T.A. 2941.Hearing about the wealth of the Dwarves of Erebor, Smaug flew south "like a hurricane ...

In instances where the character's face turns red, note this is not necessarily a case of Turns Red.Rather usually it is just an expression of anger. If a person seems to get angry over anything and everything, they have a Hair-Trigger Temper.For the negative effects of hitting the Berserk Button, see You Wouldn't Like Me When I'm Angry!.For the trope's opposite, see Kindness Button.
