Labor premiers have followed NSW Premier Dominic Perrottet and Morrison down the path of unleashing COVID on the population. This is a serious defeat for the ideas of social and collective responsibility that have been the hallmark of the labour movement for centuries. There is an ideological cleavage in society.

No unique individual can fully develop his powers in any direction without engaging in specialization. The primitive tribesman or peasant could have no time or resources available to pursue any particular interest to the full. A necessary condition for any sort of developed economy, the division of labor is also requisite to the development of any sort of civilized society.
