### Bionicle Instruction Guides

Many of the sets of the BIONICLE line could be rebuilt into Combiners and Alternate Models. These models reused the pieces from one or more BIONICLE sets to construct an additional figure. Instructions for combiners and alternate models were released in various formats, such as being included within instruction manuals, being posted online, being featured in magazines published by LEGO, and more.

While trying to identify the root cause of the issue I realized some fun facts about Xcode 12. Xcode 12 is actually the stepping stone for Apple silicon which unfortunately is not yet available (when the answer was written). But with that platform we are going to get an arm64-based macOS where simulators will also run on the arm64 architecture unlike the present Intel-based x86\_64 architecture.
