You will receive valuable advice, including how to register for the test, how it is scored and how to prepare for test day.

TOEFL® Test Preparation: The Insider's Guide | edX

Coaches: While the athlete is in the erect position after the clean, the athlete should not drop the weight, as this will only cause injury to the athlete or injure someone else. Always bring the bar down in a controlled motion. After mastery of the four progressions, he can move to the last progression. This is performing the power clean.
