List of causes of death by rate - Wikipedia

Death and disease are very much on everyone's mind. Why do we fear death so much? For non-Christians, the answer is easy. No matter how they suppress the truth in unrighteousness, whether by atheism, agnosticism, or false religion, they can't escape their God-given awareness that they've broken His law and deserve hell.

Dealing with Death and Disease - Ligonier Ministries

The Laughing Death is a well-known example of transmissible prion disease in humans. The disease occurs when abnormally folded prion proteins are transmitted, and we call those types of diseases transmissible spongiform encephalopathies. Because of the Laughing Death disease, medical experts were able to develop this concept in the first place.
