The disability community's diversity can be confusing, ... People who mainly pursue medical approaches to disability may be regarded as regressive by people who prefer a Social Model approach.

4 Ways To Understand The Diversity Of The Disability Community

Disability as an identity model is closely related to the social model of disability - yet with a fundamental difference in emphasis - is the identity model (or affirmation model) of disability. This model shares the social model's understanding that the experience of disability is socially constructed, but differs to the extent that it 'claims disability as a positive identity' (Brewer et al ...
