DuoDVR® 625 | Dish Activations

I'll turn off the tv, leave the DVR on, but when I get home from work etc. it is off. Is this a programable feature or is this caused by power surges or something else? I've tried to find information on this issue using the manual and the Dish site, no luck. It wouldn't be a problem but when it turns off, it doesn't record the shows it was programed to record.
