My 1987 RHD T 25 has a 1.9 petrol engine. In the original VW Transporter Instruction manual which I still have, it advises to use G11 Coolant, in your article above it advises to use G12 coolant. The mechanic who is working on my bus, advised using G12 coolant. I am confused as to which one I should be using, can you help? Thanks Chris W.

Which VW T25 engine? - Heritage Parts Centre

The first letters of the engine serial number represent your engine family and type code. These can be found on the engine data plate, or on your sales order acknowledgment. 2. How do I order a paper copy of OMMs? End users may order paper copies of service, maintenance and workshop manuals for all Perkins engines from their local distributor.
