"DEALING WITH ANGER TOWARD GOD" by Dr. D. W. Ekstrand. Introduction. Printable pdf Version of this Study Being angry or disappointed with God is a troubling subject for many believers, and a common one for all. I once knew a man who tragically lost his young son whom he loved dearly — it was such a catastrophic experience for him he never got over it.

Good people, great friends, and seeing them brings me down. Rich people aren't aware that their tales of success make people like me feel bad. They shouldn't have to be aware of that or hold themselves back. As a good friend I should feel happy for them, and I pretend to, but inside it makes me feel terrible.

Effective communication is about more than just exchanging information. It's about understanding the emotion and intentions behind the information. As well as being able to clearly convey a message, you need to also listen in a way that gains the full meaning of what's being said and makes the other person feel heard and understood.

Here's the good news: Why some of us don't like people and why that's good. It's common to be fed up with and even hate people. A-type personalities (We who value getting things done over chit-chatting and exchanging pleasantries) are inclined to not like people. Researchers call this trait hostility toward the world. Hostility has value.

From infancy to maturity, what Ye Zhou dislikes the most was "two". The reasons were: he was ranked second at home, he had been forever ranked second at school, no matter how diligently he worked and tried, he couldn't shake off that "second" curse. What was more exasperating was that, at University, not only was he ranked second, but even his appearance that he was proud of had to ...
