Civil Society and Legitimate European Governance

The contributors to this new book analyse the opportunities for civil society associations to contribute to European integration and decision-making from various perspectives. The research demonstrates that the Europeanization process - in terms of civil society actors adapting to the European political space - has an uneven development.

service delivery.

Governance and Civil Society - Welcome to NAO Sierra Leone

We work with civil society organisations in a number of ways. To enhance their capacity to play a part in democratic processes in terms of lobbying and policy dialogue representing citizens' interests, to develop their capacity to deliver services either on behalf of government or others and to work for the benefit of under-represented or over-looked sections of society to promote community ...

Governance and civil society | British Council

The European Union today stands on the brink of radical institutional and constitutional change. The most recent enlargement and proposed legal reforms reflect a commitment to democracy: stabilizing political life for citizens governed by

new regimes, and constructing a European Union more accountable to civil society.

The European Court and Civil Society - Cambridge Core

A wide definition of civil society will be used, namely the one suggested by the EU itself, which includes all sorts of private collectives from producer groups, trade unions, care and common cause organisations, NGOs, to social and protest movements.

Civil society and the European Union: From enthusiasm to

...

Civil society is a partner for governments as well as a watchdog. However, in a number of European countries, civil society organisations are facing legal, financial and sometimes even physical threats. In some countries, legislation and negative rhetoric are being used systematically to target civil society and

thus restrict freedom of opinion.

Civil Society | EEA Grants

Civil society is an important aspect of democratisation process because it provides a vital link between citizens and the state. It also provides an environment that can be used to enhance community cohesion and decision-making. Information is vital to civic participation and also encourages its development.

The Role of Civil Society in Ensuring Good Governance

Civil society Europe together with its members and allies published a statement as a contribution to the European Commission consultation on the European Democracy Action Plan. During the last years, EU core values such as democracy, rule of law and fundamental rights have been facing increasing challenges within the European Union itself.
