Doc 9971. AN/485. Manual on Collaborative Decision-Making (CDM) Notice to Users. This document is an unedited advance version of an ICAO publication as approved, in principle, by the Secretary General, which is made available for convenience. The final edited version may still undergo alterations in the process of editing.

ICAO Doc 9971 CDM Manual

Annex 15 and the Aeronautical Information Services Manual (Doc 8126) further cite the need for each State to establish a quality system and put in place a quality management system. Quality management should be applicable to the entire aeronautical data chain from origination to distribution to the next intended user.
