It's Time To Align Your Investments With Your Values. 09/25/2015 02:14 pm ET Updated Sep 25, 2016 How we spend our money is an expression of our values. Buying power is a moral power and the way we spend has the ability to shape the world.

It's Time To Align Your Investments With Your Values ...

At the time, I fundamentally questioned whether the cultural, financial and legal environment around conventional corporations would yield such enlightened alignment of interests. I also made the case that as businesses owned and controlled by the people who use them, cooperatives have embodied this philosophy for more than 170 years and remain the preferred model to achieve that alignment.
