Kondia | Ozark Tool Manuals & Books

Kondia are a Spanish Company (still in existence with its web site a paradigm of corporate uselessness) who offered, from the 1960s until the 1980s, a range of conventional milling machines including the popular FV-1, a clone of the Bridgeport Series 1. Best known and most widely distributed of the eighteen or so other copies of the American machine made in Spain during those decades, the ...
