At AARP, we will do all we can to restore civility and trust to our political discourse. As a new administration and new Congress prepare to take office in Washington and new legislatures and governors prepare to lead their states, AARP is ready to work with them to help find practical solutions to the issues people 50 and over care about, and to do our part in creating an America as good as its promise.

Look at recent events in DC, and you'll find all the proof you are likely to need that civility is a precondition of reasoned discussion. What's maybe not intuitively obvious is that politics can just as easily work the other way around: thoughtful discussion can produce civility. That's important because to succeed as a society, we need not only working institutions, but also citizens ...

Bring civility back to politics in 2018 | TheHill

This lack of civility in politics cannot be blamed on any one individual or party. It has been building for some time. No doubt this reflects, in part, a long-term cultural shift toward informality.

Civility, or civil war? | TheHill

Further discussions revealed that definition of civility can be defined in many ways, but the key takeaway was the importance of restoring civility has never been more significant. Attendees worked together to form action items required to help further civility initiatives, including innovative thinking, engaging the community, and maintaining steadfast persistence.

Civility - Wikipedia

"Civility is the baseline of respect that we owe one another in public life," says Keith Bybee, the author of How Civility Works. "And when people talk about a crisis in civility, they usually are
