### **Madcow 5x5**

Madcow 5x5 is the training program which I recommend you to do once you're no longer making progress on your Squats with StrongLifts 5x5. It's aimed at intermediate lifters. When to switch from StrongLifts 5x5 to Madcow 5x5 depends on your body-weight and age. A 30y old guy weighing around 200lb will usually have to switch after reaching the 300lb Squat .

program designed specifically to push your powerlifting limits further.

### **Madcow 5x5 Program [with Spreadsheet & PDF]**

Madcow 5x5 is a strength training program that uses three training sessions per week to build strength. The intermediate version (which, unless otherwise noted, is the version being referred to) primarily uses linear periodization and progresses on a weekly basis, programming for a 5 rep PR in week 5, then adding additional weight from there for a number of weeks.

Also, the original Bill Starr program used power cleans. (Madcow recommends using bent over barbell rows if you don't know how to do power cleans. I've done both at different times but typically used bent over barbell rows). Another thing about the 5×5 workout is that you increase your weight every week.
