The Mitsubishi Carisma is a large family car produced for the European market by Mitsubishi from 1995 to 2004. The model name was derived from a combination of the English car and the Greek kharisma, meaning "divine gift". It was co-developed with Volvo, sharing its chassis with the first generation of the Volvo S40, and built at the NedCar factory in Born, Netherlands, which the two ...

For the GC/GM Impreza WRX, the EJ20G engine had a water-cooled, Mitsubishi TD05 turbocharger; the rotational speed of the turbine ranged from approximately 20,000 rpm to 150,000 rpm and peak boost is understood to be around 11 to 12 psi. To prevent excessive boost pressure, which could cause knocking and heavier thermal loads on the pistons, the EJ20G engine had a wastegate valve.
