So we're planning to hire more than 1,500 new engineers in 2020/21, up-skilling our army of engineers at the same time. "Openreach is a fibre business and no-one is more ambitious when it comes to building Fibre to the Premises. Through our Fibre First programme, we're building a network that delivers more than just speed.

Fibre First: Your future with broadband

All our dogs are house-trained using a dog door. They are used to being able to come and go on 1/4 acre of land as they need. Your new rescue needs to learn how to give you signals so you know when they have to go to the bathroom. Be patient. They may be so stressed and/or confused at first and will most likely go in the house at the beginning.
