Another way to keep your planner organized is to fold over each page when you're finished with it. Most planners have space for a year (or more!) of daily schedules; folding over each page at the end of the day makes it easier to find the current daily schedule—without having to flip through hundreds of past pages to find it.

How to make an effective schedule - Learn

The shocking, definitive account of the 2020 election and the first year of the Biden presidency by two New York Times reporters, exposing the deep fissures within both parties as the country approaches a political breaking point. This is the authoritative account of an eighteen-month crisis in American democracy that will be seared into the country's political memory for decades to come.
