LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

### Principles Of Financial Accounting 2nd

The Financial Accounting Standards Board (FASB) is a private standard-setting body whose primary purpose is to establish and improve Generally Accepted Accounting Principles (GAAP) within the United States in the public's interest. The Securities and Exchange Commission (SEC) designated the FASB as the organization responsible for setting accounting standards for public companies in the US.

### Financial Accounting Standards Board - Wikipedia

Generally Accepted Accounting Principles or GAAP is a defined set of rules and procedures that needs to be followed in order to create financial statements, which are consistent with the industry standards. GAAP helps in ensuring that financial reporting is transparent and uniform across industries.
