### Psychology 8th (Eighth) Edition: David G. Myers ...

The new Eighth Edition is vintage Myers. It redefines excellence for an introductory psychology textbook, raising the standard with its expanded emphasis on diversity and gender issues, its incorporation of new frontiers in research studies in such areas as neuroscience and cognition, new learning features, and its expanded media/supplements package. Myers continues the tradition of previous editions of bonding psychological science with a broad perspective that engages both the mind and the ...
