The Sanyo HPS-SG3 Electric Indoor Grill Has A Large Grilling Surface. Another problem that you may have noticed with other indoor grills is their small size. There is no use in buying an electric grill if you can only make one or two hamburgers at a time. The Sanyo indoor grill HPS-SG3 solves that problem with its large grilling surface.

plenty of grilling space and a terrific area with a cover that you can use for grilling/steaming vegetables. Place some water in the bottom - about 2 cups worth - and turn it on and go. TIP: Carry the water TO the grill pan rather than trying to walk with the grill pan full of water back to the counter. Much neater.
