### The Illusion Of Control Great

The illusion of control that has sustained the US's nominal government and its behind-the-scenes power since World War II is fading both at home and abroad. In many areas the US military is no longer unquestionably superior and in some is demonstrably inferior. As military prowess goes so goes the American empire.

How Do You Handle the Illusion of Control? It begins by examining the situation itself. What do you have control over?

### The Illusion of Control - You Are Your Worst Enemy ...

The illusion of control is a cognitive bias which leads me to assume that I have control over outcomes. In fact, I rarely do. Some of the biases are related to memory and others to problems of attention because, in fact, attention is an extremely limited resource.

### The Illusion of Control | SITI Company

Illusion of control is the tendency for human beings to believe they can control or at least influence outcomes that they demonstrably have no influence over. The predominant paradigm in research...

### Illusion of control - ScienceDaily

Control is an illusion, as I've said many times before. We constantly make plans that never actually turn out the way we envisioned. 'If you want to make God laugh, make a plan,' an old saying goes. We have been trained to set goals, and then work on the actions that lead to those goals ... and yet how often do those goals fail?
