The Quest For Cosmic Justice

The Quest for Cosmic Justice shows how confused conceptions of justice end up promoting injustice, how confused conceptions of equality end up promoting inequality, and how the tyranny of social visions prevents many people from confronting the actual consequences of their own beliefs and policies. Those consequences include the steady and dangerous erosion of the fundamental principles of freedom -- and the quiet repeal of the American revolution.

THE QUEST FOR COSMIC JUSTICE. by Thomas Sowell. When you try to condense a book representing years of thought and research into a half-hour talk, a certain amount of over-simplification is inevitable. With that understood, let me try to summarize the message of The Quest for Cosmic Justice in three propositions which may seem to be axiomatic, but whose implications are in fact politically controversial:

Thomas Sowell | Speech "The Quest for Cosmic Justice"

The Quest for Cosmic Justice offers no big surprises to anyone familiar with Sowell's work. Its theme of arrogant elites' tyrannizing ordinary folk has sounded prominently in Sowell's writings since at least the late 1970s. But the book percolates throughout with ingenious smaller-scale insights that make it well worth reading.

Preview — The Quest for Cosmic Justice by Thomas Sowell. The Quest for Cosmic Justice Quotes Showing 1-18 of 18. “A society that puts equality—in the sense of equality of outcome—ahead of freedom will end up with neither equality nor freedom. The use of force to achieve equality will destroy freedom, and the force, introduced for good purposes, will end up in the hands of people who use it to promote their own interests.”.

The Quest for Cosmic Justice Quotes by Thomas Sowell

This strength is on full view in The Quest for Cosmic Justice, which is perhaps best described as a work of moral philosophy. That may sound off-putting, but it shouldn't. Again, Sowell writes for lay readers, and his clear thinking is on immediate display. His topic is justice, broadly understood.
