The black version is our favourite: classic, sleek, and understated. But the rose gold and pale pink model evokes sweet feminine charm, while the brushed silver will woo any woman seeking timeless elegance. A quartz movement ensures accurate time-keeping with minimum maintenance, and the stainless steel is hard-wearing and anti-allergic.

It is not the intelligent woman vs. the ignorant woman; nor the white woman vs. the black, the brown, and the red,—it is not even the cause of woman vs. man. Nay, 'tis woman's strongest vindication for speaking that the world needs to hear her voice . It would be subversive of every human interest that the cry of one-half the human family be ...

It's a long-standing trope (around since at least 1283), but the term was coined in 2007 by film critic Nathan Rabin, who found it grating, as he believed it to be the result of Wish-Fulfillment from stir-crazy writers. He explicitly compared it to the Magical Negro, in that a Manic Pixie Dream Girl exists to help the protagonist achieve happiness without ever seeking any independent goals ...

06 January 2007. April Masini: relationship expert, advice columnist, and probably allergic to sunlight and garlic too. This “article” and its contents of the blithering of various women and a few token guys (mostly manginas) is not to be taken seriously, even less so than your average article from women about relationships. It's just a load of silly self-professed relationship experts ...
