### A way with words - Chinadaily.com.cn

His novels can be extremely long and wordy, so one would think he would write an immense amount of words daily. However, this is not always the case. In his book *On Writing: A Memoir of the Craft*, King speaks on his writing speed. He would set a daily goal of about 2,000 words. This would add up to about 180,000 words in three months of writing.
